### Business arising from previous meeting:

1. Fridge quotes from Bi-rite. Amanda talked to Bi-rite and got quotes for new fridge, evert passed to buy two new fridges for the canteen. Amanda will go back in and order.

### GENERAL BUSINESS:

1. We passed that a polo can be worn with black bottoms. Black pants mean no labels or logo's (example: Lorna Jane written down the side, this is not acceptable) on zips, no pockets, they must be PLAIN black and nothing else.
2. Draw times: NetSetGo 3.45, Inter Training 4.00pm game 4.30, Cadets games 5.30, Open game 6.20, 7.15. Times to be confirmed once we have final numbers.  
Walking netball starts at 5.45 and introduction and warm up, then 6.30 the actual game will commence.

3. Intermediate registration and teams, at this stage we have 20 people registered for intermediate, which gives us 3 teams. We would hope for a few more registrations to make 4 teams.
4. Cadet registration and teams, we have 21 registered in Cadets, we would need two players from inter to play up into Cadets to make the 3 teams, so again more registrations in the age group would be preferred.
5. Open registration and teams. At this stage we have very few registrations for our Open division. We are hoping in the final days leading up to our first game Monday night 1<sup>st</sup> march, registrations will pick up. We are posting on Facebook and Instagram so if everyone could “**like and share**” to get the word out
6. Challenge carnival – Will be hosted by **Beaudesert on the 25<sup>th</sup>** July. It was supposed to be our year to host but due to covid last year they were unable to host the carnival and had asked to host this year, which FNA said was fine. Summerset at Fernvale will also be joining the challenge carnival.
7. Rep teams, we have an 11/12 team with 9 players, and a 13/14 team with 9 players.  
Thursday 3.30 – 4.30 training.  
Rep discussions to be held on Monday night as the coaches are often unable to attend Tuesday night meetings.  
This Monday night 1<sup>st</sup> March is the first game, all players will need to come early to try on and order their dresses.
8. Diane umpiring, Mikayla to touch base with Diane to confirm.
9. Canteen will be open first game back Monday 1<sup>st</sup> March, with all regular menu items.
10. The Sports club was sold for \$550 000 after debts are paid out and all the clubs are reimbursed their \$10000, its looking like each club should receive about \$40000. An inventory of all stock will be done, and donated good returned.
11. We are hoping to host a C Grade social competition in term two (after easter holidays). This is to encourage players back into our association who think Monday night A and B grade is too competitive/too hard. We won't to promote this is a fun and social division, there will be leader boards or finals as it is all about the fun, social and active side of netball.

**MEETING CLOSED: 7.45pm**

**Next Meeting: 9<sup>th</sup> March**
