## Making substitutions during play

During modified matches, players are able to make unlimited substitutions.

- Before entering the court, the substitute shall tag the player leaving the court
- The substitute and the player leaving the court must not interfere with play during the substitution process
- The substitute and the player leaving the court must observe the Offside rule when leaving or entering
- Players should be substituted into attack-only positions or defence-only positions for the duration of the game

## Scoring

No scores may be kept in Set.

You may keep scores in GO, but don't produce a ladder.

No finals matches should be played in either tier.

It's important that every player in a competition is given a medal or similar award for taking part.
