GENERAL BUSINESS:

1. Show Society – what accounts do we still have outstanding with them? GST portion of the electricity bill was outstanding as Loraine wasn't sure if it right but it has been paid today. The building insurance invoice hasn't been paid & a copy of our Certificate of Currency from NQ has been emailed to the Show society to show we don't need to pay it twice. Awaiting response. It was also raised that the IGA account has been overlooked, however this account was also just paid today. Show Society also reminded us via email to make sure we advise them of any events being held at our Courts. Loraine also raised concern at how much our rent is compared to past years, make require further discussion at a later point.
2. Walking Netball – Janet reported that due to rain on Monday night, the final night of the season will be held on Wednesday 13th October. There were enough for 2 teams for the spring season that was thoroughly enjoyed by all. Walking netball will be offered for an autumn and spring season in 2022
3. REP: Do we hold trials this term or wait for early next season? It has been decided that trials will be held at the beginning of the 2022 season. Sam Conochie & Justine Lutter have expressed an interest in coaching an older REP team.
4. Committee Positions still not filled: Intermediate Convenor – Amanda to follow up with Rebecca Finney and/or Kaylene Reiser; Cadets Convenor – decided to wait until the beginning of the season to see what players are in that division; Fundraising/Events Coordinator – awaiting beginning of season; Sponsorship & Grants – currently open.
5. Induction for new committee positions. Date & time to be made with existing committee to transfer information & discuss new season. - A lot of discussion about the new season took place, further details to be confirmed at the next meeting on November 9th.

6. Set meeting day/time for 2022 – meetings have been set for the 2nd Tuesday of the month, 6.30pm at the clubhouse, with the exception of April as there is not netball due to school & public holidays, and July unless required closer to the time.
7. Forward planning for next year – Structure for next season. It has been decided that we will start by advertising our standard divisions and see what interest we have to make divisions.

NetSetGo, Intermediate, Cadets, Open A & Open Social

Set comp dates: Open to run a 14 week season starting 21st Feb 22, finishing with finals on 20th Jun 22, hopefully a shorter season will encourage more players, while allowing time for social mixed netball in term 3. Intermediate & Cadets divisions TBC depending on the dates of the REP carnivals.

Fees: Will be confirmed after Netball Queensland set their fees

Information session dates: Saturday 12th Feb, down the main street of Boonah with a bake stall as a conversation starting point. Tracey to book space outside of IGA/Maynard's with council.

Rep Trials: TBC once dates of carnivals are confirmed

Advertising campaign: Flyers, schools, newspaper etc. Mikayla is designing a flyer, plan to distribute to schools before the end of the school year in electronic form. Distribute to schools in paper form in the new year, email again to schools in the new year. NO Fassifern Guardian ad for 2022, it was decided that the money will be better spent printing flyers for letterbox drop and school distribution.
